Smart **Locker**

Electronic lock for cabinets

RFID/BLUETOOTH® ELECTRONIC LOCK FOR CABINETS AND LOCKERS

For offices and shared spaces

Smart Locker can be installed on a wide range of cabinets and lockers in order to keep users' personal belongings safe in offices, businesses, and shared spaces or any other situation where personal belongings need to be temporarily safeguarded.

Automatic locking

By closing the door of the cabinet, Smart Locker will automatically lock. Smart Locker is battery powered allowing easy installation in new lockers or retrofit in existing lockers currently operated by keys.

Product features

- Automatic locking just pulling the door ajar
- Memorize up to 300 users credentials
- Records the last 1000 events
- Battery-operated device with charge status detection
- Wake up by RFID card detection or phone (patented)
- Low energy consumption device
- Real Time Clock/Calendar
- Light and acoustic signals
- Permanently open mode (office mode) without extra battery consumption
- Block the Standard Users allowing access only to VIP users
- Programming and software updates by ARGO App on iOS and Android devices
